Exfoliating FACE SCRUB

natural plant derived active
with Natural Moisturising Factors

Scrub

Organic Harvest has brought an exfoliating facial scrub which is claimed to be gentle and effective owing to its natural plant derived moisturising factors that help revitalise dry and dull skin. These cleanse the pores deep down besides gently exfoliating the surface skin. Created with a PH balanced formula, it contains olive oil derivative and NATRUE certified natural plant derived active with natural moisturising factors. Priced at Rs.695 (100 gm) and Rs.445 (50 g).
